
Home Economics Class

Age Group: 7th Grade & Up

\$15 semester copy fee, \$30/month tuition, Textbook “Where’s Mom Now that I Need Her”

2 Semester Course

Instructor: Kristi Brummal

Course Description: What do I really need to know before I am on my own? We discuss and cover the REAL WORLD issues and information teens need to know before they are living on their own. We will explore the ideas of basic household economics including budgeting, meal planning, meal prep, laundry, basic sewing skills, stain removal, food gardening, trip planning, saving and emergencies, etc.
