

Middle School Math

Instructor: Melissa Cunningham

Grade: 6th-8th

Fees: \$30 monthly tuition

Text: Saxon Math Homeschool 8/7

Course Description: In this class we will cover word problems, scientific notation, statistics, probability, ratios, proportions, simplifying and balancing equations, factoring algebraic expressions, slope-intercept form, graphing linear inequalities, arcs, sectors, and the Pythagorean theorem. This course will also provide some pre-algebra instruction.

Weekly assignments will be sent home and due the following Tuesday.
