

## **Hands-On Art 2 Semester Course**

**Instructor:** Chrissy Jones

It is best for a student to join their age group for inspiration and camaraderie, BUT NOT REQUIRED. For example if a senior needs art but can only come at 9 AM, they may. I will teach both projects concurrently.

### **Course Description:**

Every art class explores a variety of mediums and techniques each semester, drawing inspiration from great masters of the past as well as current trendsetters and local gallery artists. Topics covered may include: painting, drawing, 3D pens, printmaking, sculpture, fiber arts, carving, ceramics, and crafting. Classes are often curated to educate about current and upcoming local museum exhibits. Enjoy looking at previous student work

The supply fee for the year is \$80. This is non-refundable and must be paid prior to attending class, as I order the supplies for the year in advance.

The tuition is pre-paid at the beginning of each semester and is non-refundable. Payment must be made through Paypal at: [paypal.me/oklahomahomeschoolar](https://www.paypal.com/oklahomahomeschoolar)

If you wish to make monthly payments, you must prepare 9 checks dated at the FIRST of every co-op month with monthly tuition. Please place in 1 single envelope per student with your student's first and last name on it. If a check is returned there is \$35 returned check fee which must be paid in cash. Tuition is non-refundable by semester for any reason.

### **Tuition Schedule:**

**First Semester:** Supply fee and first semester tuition paid in full before first day of class. (using Paypal or envelope system)

**Second Semester:** Second semester tuition paid the last week of classes in December (using Paypal or envelope system)

With Gratitude,  
Chrissy Jones; 405-754-9801
