Course Description:

Grab a book and join us as we bring stories to life through reading. Each week we will review a book or short story and do an activity as a class. *We will take our knowledge of reading that we already possess, and learn how to read between the lines.* We will expand our vocabulary weekly as well. We will be reading a variety of short stories, poems, and chapter books. Reading list will be given out the first week of class. Some occasional at home reading will be required.
