

## **Soda Bottle Science**

Instructor: Codie Hill

Grade: 4<sup>th</sup> – 6<sup>th</sup>

Full Year Course

Fees: \$30 monthly tuition fee plus \$15 material fee per semester

Text: None

Course Description:

Each week we will learn about general science through hands-on experiments! We will cover a wide range of topics from animals, geological formations, weather, and much more. All experiments will be done using household items and some will even be edible! Homework will be minimal.
