

Simply K

****Kindergarten Curriculum will cover language, reading, and math****

Instructor: Sarah Kriwanek; luckicharm313@gmail.com; *Please contact Sarah with questions*
(assisted by Janet Crouch)

Grade: Kindergarten – Recommended for students turning 5yrs old *no later than September 1st*

Fees: \$60 monthly tuition, PLUS a one-time \$30 supply fee to cover snacks, craft supplies, copied materials, etc.

Course material: We will be using our own conglomeration of materials for the course.

Course Description: Language and Reading will cover ABC's (identifying and writing), letter sounds, life skills, rhyme time, and a lesson from God's Word. We will have plenty of hands-on activities, reading aloud, center time, carpet time, and classroom procedures. Math will cover numbers 0-20, skip counting, 10 frames, number lines, patterns, shapes, concepts of time, calendar, and critical thinking skills. This will be a continuation of the Language and Reading hour, with Bible reinforcement, and hands on activities.

We work on many developmental skills throughout the year like how to hold a pencil, writing upper and lower case letters, cutting and pasting, preparing to read - beginning and middle sounds of words, colors (identification and spelling), etc. Some students may need more time developing those skills. ***Any parents of current year Kindergarten students who feel that their child needs another year before advancing to other classes are more than welcome to remain in the class.***
