Fees: \$30 monthly tuition for 1 hour or \$60 monthly tuition for 2 hours, plus \$20 per semester supply fee

Text: Masterbooks Simply K and Masterbooks Math, Level K (can be purchased as a set or separately). We are using this as our teaching guide. Purchasing curriculum is encouraged in order for parents to reinforce the concepts taught in class. Purchasing the curriculum is not a requirement for the class. Course Description: Language and Reading Simply K will cover ABC's (identifying and writing), letter sounds, life skills, rhyme time, and a lesson from God's Word. We will have plenty of hands on activities, reading aloud, center time, circle time, and classroom procedures. Math Math, Level K will cover numbers 0-10, basic patterns, shapes, concepts of time, calendar, and critical thinking skills. This will be a continuation of the Simply K hour, with Bible reinforcement, and hands on activities
