

Biology I

Instructor: Joyce Pierce

Grade: 9th-12th

*This may depend on student's level and ability. Pre-requisite Physical Science OR instructor permission

2 Semester Course

Fees: \$40 monthly tuition fee plus one time \$25 lab fee

Text: Apologia's Exploring Creation with Biology 2nd Edition

The test/answer book is helpful for parent but not essential

Course Description:

This is a high school level class and will require about 5 hours of homework every week (including Thanksgiving, Christmas, and Spring break). It will be impossible to cover all the material in a 1 1/2 hour a week class. However, I will keep the students on a schedule, provide labs for them to do, and send tests home for them to complete. Above all, I will attempt to point the students to the fact that God is the Creator of life and worthy of all our worship.
