

# **Elementary Human Anatomy and Physiology**

**Instructor:** Krista Ranck

**2 Semester Course**

**Recommended for grades 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup>**

**Fees:** \$30 monthly fee + \$10 copy fee per semester

**Text:** *Apologia Exploring Creation with Human Anatomy and Physiology* (ISBN: 9781935495147) and *Apologia Exploring Creation with Human Anatomy and Physiology Journal* (not the Jr Journal) (ISBN: 9781935495154)

**Course Description:** This will be a hands-on class full of fun where we will study the amazing creation that is the human body! We'll learn about each system, our growth and development, some health and nutrition and more through conversational lessons, videos, educational models and projects.

**Instructor Background:**

Hi! I am a married homeschooling mom of three (19, 16 and 11). We are in our 9<sup>th</sup> year of homeschooling and recently celebrated the graduation of our oldest in 2021. I am a registered nurse and continue to maintain my license in order to teach nursing clinical for Oklahoma Baptist University usually at least once during the school year.

I love science and creation! It has always been my favorite subject! I am also the kid's pastor at my church at Bethel OKC in Moore, OK, so with our Apologia text and my teaching, your kids will definitely be getting Human Anatomy and Physiology from a Christian/Creationist perspective. "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made, I know that full well." Psalm 139:13-14
