

ACTS of the Apostles

Instructor: Jessica Sims

Age: High School

Fees: \$30 monthly tuition

Text: \$15-\$20

Course Description: This is a 30-lesson course that will engage your student in the History (and Intrigue) of the birth of the early church. The curriculum is written by CBS (Community Bible Study – very similar to BSF) so it is not denominationally specific. In fact, when differences of interpretation exist, we will present both sides or just direct the student back to the Word to find their answers.

Expectations: Your student will be expected to complete daily assignments that will be discussed in class and a short lecture over the material we have studied that will include geographical and historical significance to the passage that was discussed. This course is designed to encourage your student to explore the Word of God for themselves. I will act as a facilitator to encourage your student to search the Word daily and find it exciting and applicable to their lives today.
