

Pre-Algebra

Instructor: Crystal Wolthuis

Grade: 7th-9th

Fees: \$30 monthly tuition

Text: Glencoe Pre-Algebra, Amazon or Thriftbooks or many other websites. (has a rollercoaster on the cover and it doesn't matter which "state" edition it is)

Course Description: Pre-Algebra can give students initial exposure to the fundamentals of Algebra and help them perform better in future courses. In this class we will learn the tools of algebra using integers, equations, factors and fractions, rational numbers, ratio, proportion, and percent. We will also cover linear equations, inequalities, and functions. Weekly assignments will be sent home and due the following Tuesday.
